NEW ENGLAND RARE COIN GALLERIES PRESENTS...

LATEST OFFERING OF CHOICE AND RARE UNITED STATES COINS...

GRADED ACCURATELY & CONSERVATIVELY - PRICED REALISTICALLY

Even we were surprised by the response to our last offering. In less than a week, our sales volume equalled nearly half our entire inventory. We have always stressed quality condition coins, and that is what collectors and investors seem to want.

You may think the coin market is strong now, but I predict choice and rare U.S. coins to get much stronger over the next several months. And more than ever, the most major price rises will occur in the choice grades. I strongly recommend you order the coins you need now. They are bound to cost you more the longer you wait. Many of our customers could now realize a handsome profit on coins purchased from us less than 3 months ago!

We had to return a lot of checks last offering due to sold out items. So please list alternate choices, and by all means call to confirm on large orders. We have all these coins in stock at the time of this writing, but we won't have all of them for long. So don't hesitate. These prices may seem high now, but before long they will probably seem cheap by comparison to the current price levels.

As always, we will strive to deliver the best possible value for your dollar. To all our customers: Thank you for your confidence in us. We promise to do all we can to deserve it!

Best wishes,  
Jim Halperin & the rest  
of the staff at N.E.R.C.G.

UNSOLICITED TESTIMONIALS

"I want to commend you on your excellent service and exceptionally graded coins! I was most pleased with the seven Liberty Seated Halves I purchased from you last week. I plan to do a good deal of business with you in the future. It's nice to know that there's an honest, service-oriented dealer around."

K.W.K., Detroit, Michigan

"Because you have previously sent me the very nice quality coins you advertised, I am again giving you a repeat order."

E.K., Palmetto, Florida

"I have done business with your firm in the past and have been quite pleased with the results."

M.S., Brooklyn, N.Y.

"I have seen many dealers come and go, but they didn't know quality coins from first base. I believe you have what it takes to render good service with fairly priced quality coins and that you already enjoy quality customers."

Dr. R.G.P. Martin, Tenn.

"The piece was pleasing. I am happy there are still some fair grading dealers around. Enclosed is my check."

A.S., Rockford, Ill.

"I received from you yesterday an 1875-CC 20¢ piece. I am writing to congratulate you on both the fine service you gave me and on the high quality of the coin... I am a conservative grader, especially when I am spending my own money. I must say that you graded this coin not only fairly, but also very conservatively. I have rarely obtained equal grading even when purchasing coins over-the-counter. I have never before written a letter of praise to a coin dealer. I am happy to do so now. You are a credit to the profession of numismatics."

G.G., Decatur, Ga.

"Upon receiving my most recent purchases...I examined both coins carefully and found them to be just as claimed and both much to my liking. Since I have been introduced to N.E.R.C.G., I have been quite pleased with the very nice material you have sent."

A.C., Chicago, Ill.

"I am very pleased with the 1927-S Quarter and the prompt service. You have a new customer. Proper grading is hard to find."

S.W., Portsmouth, Va.

"As usual, I am most happy with your service and the coin. I am very pleased with the Pan-Pac half. Thank you."

J.O., Atlanta, Ga.

"I placed an order with you and received the best coins ever by way of the mail. I almost gave up on mail order because of the processed coins. Keep up your grading-it's great!! "

J.E., Chicago, Ill.

Our AU or UNC grade is what many dealers call BU. Our GEM BU coins are fully struck and as close to being flawless coins as can be obtained on today's market.

All prices subject to market fluctuation. We recommend a call for up-to-the minute quotes on large orders.
